STATEMENT OF FAITH

1. We believe the Bible to be the inspired, the only infallible, authoritative word of God.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe in salvation through faith in Christ alone, not of works.
5. We believe that for the salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
6. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
7. We believe in the resurrection of both the saved and the lost; that they are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
8. We believe in the spiritual unity of believers in our Lord Jesus Christ.

MISSION STATEMENT

To provide an outstanding education for all students, in a safe Christian environment.

VISION STATEMENT

Florida State Christian Academy's (FSCA)/Synergy School of Tomorrow's vision is to produce students who are fully devoted followers of God, who are thoroughly prepared to fulfill the will of God in their lives, and who will powerfully demonstrate their Biblical worldview through character, wisdom, leadership, service, and achievement.

- FSCA is committed to educational excellence and spiritual truth
- FSCA provides an educational programs and courses of instructions that are conducted consistently within the teaching of the inerrant Word of God
- Meeting these standards of excellence is dependent upon the shared efforts of FSCA personnel, families, and the church

THE SCHOOL VISION

FSCA has been established in order to assist parents in the fulfillment of their Biblical mandate to "Train up a child in the way he should go" (Proverbs 22:6). FSCA partners with parents to educate their children in such a way as to unlock the maximum potential for each child according to their individual God-given abilities. To accomplish this, students will be engaged in an academically challenging environment that develops spiritual, intellectual, social and physical growth.

It is vital that parents, students, and FSCA are in agreement, for without that this vision cannot be fulfilled.

It is the mission of FSCA to create an atmosphere of excellence. This means that each student will be trained spiritually, academically and physically in a manner that exceeds and reaches far above the average. FSCA is committed to educating and building leaders for the next generation. This not only includes leaders within the church, but also people who will be innovators in their communities and chosen professions because of the values and integrity that have been instilled in them. (The fear of the Lord is the beginning of all wisdom and knowledge and all who follow his precepts have good understanding. Psalm 111:10)

PURPOSE AND PHILOSOPHY

Education is an essential part of a child's life in today's society and FSCA is committed to fostering a child's love for learning through character driven, academically challenging, stimulating activities which assist in that development process.

GOVERNANCE STRUCTURE

Under the laws of the State of Florida, FSCA is governed by the Advisory Board, made up of stakeholders including Dr. Donnelyn Khourie Head of the School, FSCA Administration, as well as an Advisory Board. The Advisory Board weighs in on decisions and the Head of the School and FSCA Administration administers standards of performance and quality for all school programs personnel.

FSCA, founded in 2000, is an independent Christian school incorporated as a not-for-profit organization in the state for Florida.

MANAGEMENT STATEMENT

FSCA is an educational institution, which is supported and managed by the Head of the School and FSCA Administration. The Word of God is central in the education process. The goals of FSCA reflect those in the Mission Statement, Statement of Faith, Vision and Purpose and Philosophy. *FSCA reserves the right to make changes to this handbook throughout the year to better match the needs of the school and those of the parents and students.*

NONDISCRIMINATION STATEMENT

FSCA admits students of any race, color, national and ethnic origin withal of the rights, privileges, programs and activities generally accorded or made available to students at the school. We do not discriminate based on race, color, national or ethnic origin in the administration of our educational policies, admission policies, scholarship and loan programs, athletic and school-administered programs.

ACCREDITATION

FSCA is accredited through The Florida Coalition of Christian Private Schools Association, Inc. National Accreditation and FSCA is compliant with all Step-Up for Students and McKay Scholarship regulations.

DATA COLLECTION

Data is collected using blind surveys and is used for the improvement of the school only. Ethical guidelines include data collection is anonymous at times, and when anonymity is not applicable, privacy is protected as needed. A committee made up of staff, teachers, parents, and students and questions and surveys are formulated to target specific areas of improvement. Data is collected intentionally in all aspects of school life to show need for improvement and/or to show how improvement and implementation is properly maintained. Data collection is analyzed every 4 weeks through progress reports, report cards, summative and formative evaluations, teacher evaluations, teacher surveys, student self-evaluations, and more.

ADMISSIONS

Students who are transferring from another school will be required to take an entrance evaluation exam. Should the student's accomplishments be on the grade level to which he/she has been promoted, then he/she will be admitted to that grade. However, should the student's accomplishments (as shown on the evaluation) be on lower level, then he/she will be placed in the grade best suited for his/her achievements.

If the administration deems appropriate, a parent/student interview with the administrator will be conducted before admission is granted. Upon completion of the application and interview, parents are informed of the decision to accept or decline the admittance of the student.

Acceptance is based upon the decision by the Advisory Board. Grade placement for all students will be determined by the administrative staff. FSCA reserves the right to adjust and/or modify course offerings, selections and/or combination of classes at each grade level based on final enrollment. Home Education students follow the same policies. Only those students with up-to-date immunization records, and a copy of a birth certificate, school entry physical form/physical form, if transferring, school transcripts, personal and pastoral reference, and an admissions essay will be accepted for final enrollment and permitted to attend class.

If a student forgets his/her lunch, a lunch will be provided for the student at a minimal charge. The charge will be added to your account. No fast food is allowed. Catered lunches are offered on a daily basis and are to be pre-ordered by the Friday before. Orders are to be placed through the FSCA website www.fscacademy.com.

ACADEMICS

Through the power of God working in each individual, FSCA expects its students to develop their full potential in every area. Although the curriculum is the roadmap for education toward the pathway to success, student interest drives the curriculum through the STEAM philosophy of education. The modern workforce demands that workers are able to think critically, and in order to teach that, students must use higher order thinking skills developed in the creation, not just the reiteration of academic content. The student initiates the learning through interest, and the teacher steps back into a coaching role to ensure student success.

SCOPE AND SEQUENCE

FSCA utilizes three different curriculums depending on the student's grade and learning style. Students in grades K-6 use the ABeka curriculum or Christian Light curriculum for special educational plan needs. Students in 7- 12th grade use the Abeka curriculum, Bob Jones, and other Locally Developed Courses that meet the Florida Department of Education Standards including but not limited to, Florida Virtual School, and Indian River State College courses. Home Educated students may use the above, or curriculum of choice pre-approved by the administration of FSCA. If any other changes to curriculum are needed, a Student Study Team will be convened after an introductory period of 30 days in the designated curriculum. The curriculums include:

A Beka: a proven and widely accepted program providing excellent Christian education.

Bob Jones: A curriculum that supports core instruction from a Christian perspective.

Locally Developed Courses: courses designed in professional and vocational areas where boxed curriculum may not exist or may need to be altered to customize the educational model.

Florida Virtual School: in accordance with the FLDOE, students may take courses listed by this State Accredited Institution.

IRSC Courses: through dual enrollment degrees or vocational classes any classes may be taken to receive high school credit in conjunction with courses approved by FCCPSA.

Christian Light: Students with individualized educational plans or who have been identified as needing special services or who have needs that keep them from general education are sometimes offered this curriculum in a combination self-contained classroom from grades 4-8 as a bridge program.

- Teachers can record attendance each day or class.
- Teachers record all grades for classwork, homework, tests, etc.

If the student fails to achieve a passing grade for the course he/she will not receive credit and will retake the course.

PROMOTION

Students in grades K-12 will not be promoted to the next grade level if sufficient academic progress at their current grade level is not achieved and if they are working below grade level.

HOME EDUCATION, DISTANCE, BLENDED, AND HOMEBOUND EDUCATION

Students follow the same admission procedures. Parents may choose curriculum, submit a Curriculum Declaration Page for pre-approved by FSCA administration and report grades on Monthly Report grade sheet or use the Ignitia on-line curriculum that has a self-regulated grading system and have the parent as a teacher or use the Ignitia on-line curriculum with the FSCA teachers managing the student lessons and grading and providing additional tutoring support. All home education students may school apart from FSCA or with blended classes a la carte and will be provided with a private school transcript. FSCA home education students may participate in all sports, activities, and events. Students with illnesses or circumstances that would require long periods of time out of school may be placed on a homebound program to keep current with classes and grades. Students may also use classes from Florida Virtual School as approved curriculum.

ATTENDANCE

Daily attendance is recorded by the teacher. For a student to be considered at school all day, the student MUST be in school until 11:30am.

For the safety and security of all our children, parents or any other adults are not allowed past the front office without checking in at the front office and receive a visitor badge. All employees are instructed to call the office if they see any unauthorized people in the hall. **Please understand that this rule must be enforced to provide the utmost security for our students.**

SECURITY

For the Safety and Security of our staff and students, every effort will be made to secure the building during the time school is in session:

- *Toys from home:* Please do not allow your child to bring toys from home unless it is requested for a specific class activity. Toys that promote violence are not accepted for any reason. We cannot be responsible if toys become lost, broken, or stolen.
- *Guns and weapons or toy guns:* Any student who knowingly brings any type of gun or weapon, firearm, paintball guns, replica guns, pellet guns on campus or school sponsored activity, will be suspended from school for a period to be determined by the Administration and the Discipline Committee.
- *Threats:* Threats of any kind; death, killing, shooting (including joking about killing), etc., will result in immediate suspension from school regardless of age. Re-enrollment will be considered after the Administration reviews each individual situation.

For consequences, see the Conduct of Students.

CODE OF CONDUCT

Our goal, and the student mission should always be to obey the Scripture which says, “So then, whatever you do, whether in word or deed, do all to the glory of God.” In the best interest of the entire school community, so that we might all live safely and in harmony, certain guidelines of conduct must be maintained by all students of FSCA, both on and off campus. Students must practice courtesy and consideration in all associations with teachers, school employees, fellow students, and visitors. Students must respect their person and their property. (Ephesians 4:28-32)

Students must respect the authority of administrators, teachers, and staff members and treat them respectfully as a demonstration of obedience as unto the Lord. (Hebrews 13:17 and I Thessalonians 5:12-13)

BEHAVIOR EXPECTATIONS

Good behavior arises from good character. Partnering with parents in the development of Godly character is one of FSCA’s primary goals. Upon enrolling in FSCA, all students enter a probationary agreement to determine if the student is a candidate for long-term enrollment (long-term enrollment is defined as anything beyond 90 days). Probation is based upon, but not limited to, academics and conduct as well as any other area that administration deems necessary to determine if FSCA is the right fit for that child. As such, it is necessary to recognize and contend with misbehavior to discourage its frequency and intensity. We want FSCA to be characterized by a positive learning atmosphere where respect for others is common. As such, school personnel will teach students the behavioral expectations for FSCA students and assign disciplinary measures to teach students appropriate character. The accumulation of discipline documentations may be viewed as a sign that the student is unwilling to abide by the FSCA standards. The accumulation of disciplinary documentations will result in more serious consequences, even dismissal from the school.

The Florida State Christian Academy students will:

1. Abstain from the use or possession of alcoholic beverages, tobacco, drugs, pornography, gambling and other undesirable practices both on and off campus twenty-four hours per day, seven days per week. Students who do not abstain from such practices may be subject to expulsion. (1 Corinthians 6:19-20)
2. Abstain from using
3. Abstain from profanity, vulgar, and abusive speech, writing, texts, social media posts, any speech that involves telling another student to harm him/herself, or any abusive, profane, or vulgar actions. This behavior is harmful to others and is not appropriate or conducive to one’s own moral and spiritual development. (Ephesians 4:29)
4. Refrain from a public display of affection. Students are expected to conduct themselves in a discreet and Christian manner. While on campus, students should follow a “hands off” policy.
5. Leave all unauthorized and dangerous items such as knives, weapons, lighters/matches, explosive items, or any items that could cause harm or campus

disruption at home. Radios, CD players, MP3 players, iPods, or similar electronic items, are not allowed at school. Cell Phones are not to be seen or heard during school hours (9:00 AM – 3:00 PM) and may not be used unless requested by a teacher for educational instructional purposes (see Cell Phone Policy)

All books and papers must be out of sight. No talking is allowed.** Talking during a quiz, test, or exam may be dealt with in the same manner as cheating. Cheating will result in a teacher intervention and will result in disciplinary action by Administration (see Honor Code).

Students will refrain from negative attitudes and negative comments regarding school rules, school personnel, fellow students, and all efforts to incite dissension among student body or school staff.

CHEATING

Cheating is a serious offense as it explicitly breaks the integrity of the academic process at FSCA. Cheating is defined as: *Cheating is using, stealing, taking another person's work (including homework or previously written essay's or papers) and propagating/ distributing information about a test to other students for their personal benefit.*

1. 1st time cheating- Student will receive a zero on the assignment/ test, receive an incident report, will serve an After-School Detention, and teacher/ administration contact with parent.
2. 2nd time cheating- Student will receive a zero on the assignment/ test, receive an incident report, will serve a Saturday School, and administration contact with parent.
3. 3rd time cheating- Student will receive a zero on the assignment/ test, and potentially a failing quarter grade, and will be Suspended/ Expelled from FSCA.

The cheating and plagiarism policy is not class specific- if a student cheats in one class, the next time he/she cheats or plagiarizes it will be considered a 2nd/ 3rd offense regardless of the class.

COMMON CLASSROOM EXPECTATIONS

The following are considered common classroom expectations. Teachers may have additional requirements and/ or classroom expectation, or modifications to the following during their class instruction:

- When the teacher signals, be ready to start class with required materials for class

- Listen attentively to the teacher and participate in class discussion
- Request permission to speak or make comments in class
- Use class time efficiently
- Refrain from consuming beverages and food during class

- Students are to refrain from talking about dating, relationships, or anything of that nature while on the FSCA campus or at any FSCA function or event
- If students are found to be displaying PDA then the consequences are as follows: (1) day suspension for first offense, (3) day suspension for second offense, (10) day suspension with a pending a board review for continuing to be a student at FSCA.

DISCIPLINE POLICY

The discipline philosophy at FSCA is based on the need for a proper working relationship between the home, the church, and the school. It is our conviction that the home was the first institution God established, and it is there the child learns patterns of behavior. In the home, the child learns a value system of right and wrong. When a child is taught proper discipline and respect at home, he/she is then ready to be educated and to develop the skills necessary to face life successfully. The church is the institution of God established for the express purpose of winning the unsaved to Christ and for the purpose of teaching/ training the saved. This includes the teaching of Biblical principles of living as found in the Bible.

The school is an institution set up by man for the purpose of partnering with parents in the educating and training of their children. The school has an obligation to provide an environment and curriculum conducive to effective learning. As a Christian school, it is our responsibility to further build and train our students in Christian character. The purpose of our discipline plan is to train each student to achieve obedience, respect, and responsibility in order to create a learning environment where students are able to attain their highest potential. Obedience to rules and guidelines is essential to the development of maturity (Luke 2:51 and Hebrews 5:8). It results in genuine freedom in life (John 8:32). Respect is necessary for successful and meaningful relationships (Luke 10:36, 37, and Romans 12:18). The building of personal responsibility fosters a sense of achievement. Responsibility and achievement are necessary ingredients to the development of self-worth (1 Corinthians 10:31, Ecclesiastes 9:10, Romans 14:12).

As we seek to provide a balance and a biblical discipline learning environment for the students of FSCA, we realize that man's wisdom falls short of God's standards. We do not claim to be perfect in all our decisions, but we do try to discipline in a way that is Biblical and teaches students the necessary lesson. As partners in the process of discipline, it is important that parents work cooperatively with the school for the good of the student. Since we teach the student to obey and submit to the parents, we find it imperative that the parent maintain that continuity by upholding and teaching the principles taught at school. Proper Christian

educational and moral principles can only be attained through a well-disciplined program where there is cooperation between the parents and the school. As it relates to disciplinary decisions for disobedience to the Standards of Conduct for FSCA, the school administration will make the final decision concerning the disciplinary measures. There is not an appeal process once the decision has been made.

COURTESY AND RESPECT

True courtesy is an inner spirit, which gradually becomes learned etiquette. It is expected that all FSCA students will show proper courtesy and respect to all adults on campus as well as to their fellow classmates.

Respect is an attribute of Christian character that reflects moral restraint of inward and outward behavior. The presence or absence of respect is the best way to evaluate the quality of character. In the *New International Version*, it says, “Show proper respect for everyone; Love

the brotherhood... fear God, honor the King.” God call His people to a divine standard. This higher standard requires action on the part of the individual.

- Courtesy and respect to all adults should include the following:
- Using “Mr., Mrs., Miss., Ms., or Pastor (using last name) when speaking with adults
- Using Sir, Ma’am in responding
- Using “excuse me” “please” or other requests for repetition
- Opening doors for all adults
- Students are expected to us “please” and “thank you” in all cases

Students may be placed on a probationary status when attitudes and actions are not consistent with the purpose and standard of FSCA. The administration will set the terms of the probation. The student, parent, and Administrator must sign the probation statement. Students must exhibit a change in behavior and attitude during the probation period. If there is no obvious change, then the student will be suspended or asked to withdraw and transfer to another institution. Types of Probation are as follows:

- Academic – Insufficient academic progress
- Attitude – A rebellious spirit which is unchanged after repeated interventions by teachers and administration.
- Action – Continued deliberate disobedience
- Breach of conduct
- Failure of the parents to comply with the disciplinary procedures of FSCA

REVIEW

All students who enroll for the first time with FSCA will be placed on a review. This will last for the first quarter. Should a student consistently violate the Code of Conduct or engage in behavior that is unacceptable as a student at FSCA may be asked to transfer to another institution.

DRESS CODE

The Bible does tell is that man looks at a person’s outer appearance, but God looks at our hearts (I Samuel 16:7). We know that how God views us is the most important thing! Nevertheless, man does look at our outward appearance. Even as we have an obligation to see that our hearts are clean and pleasing to God, we also have an obligation to see that our appearance is clean and pleasing to man. There is a close relationship between performance and appearance. It is our belief that students will achieve and develop their potential in proportion to how they view themselves.

In accordance with this underlying belief, we at FSCA expect the students to observe the guidelines presented for young men and women. It is the school’s belief that parents will accept

their responsibilities and students will show their respect for the school by living within the guidelines expressed below.

FSCA has a standardized dress code for the purposes listed as follows:

- To train children in the way they should go (Submitting to Godly authority)
- To train students to dress in a conservative, professional fashion
- To create a positive disciplined environment in the school
- To assist students in concentrating on academic achievement rather than on clothing competition
- To eliminate offensive fashions
- To help reduce peer pressure
- To help parents and students with financial stewardship
- To create a positive image in the community

The administration and teachers of FSCA will maintain and enforce the dress code from the time a student arrives on campus until the student is off campus. Parents and students must agree with the standards of conduct and dress established by the School Board. NOTE: Only students who are in proper dress code may attend classes.

Students who are under the care of a doctor must provide a written order for self-administration of medication and must complete a written self-administration form that can be obtained in the school office. Any student found to have harassed a fellow student will face disciplinary action. FSCA will take no adverse action against any person for making a good faith report of alleged harassment.

STUDENT ACTIVITIES

Students who attend FSCA activities are expected to wear clothing that reflects the conservative values that FSCA supports. You understand that this release discharges Florida State Christian Academy and its agents from any liability or claim that you may have against Florida State Christian Academy with respect to any transmission, symptom, or contraction of COVID-19 relating to your child's participation in activities associated with Florida State Christian Academy.

2. Assumption of Risk. You further understand that your child's return and/or participation may expose him/her and others to unavoidable COVID-19 community spread.
